<p>Race of Day: Jack Heinrich 4 x 800 - Was there any doubt when Jack willed his way past the KM runner to propel the squad to state? Pttiming split was 1:53.47. Likely the fastest 800 run in the state today. The open wasn't too shabby, either. A complete opposite type of 800 from the relay, a negative split, PR, but most importantly a first place finish. That's racing to win!</p>									
<p>The 4 x 800 performance is the 2nd fastest in school history and only the 2nd squad to go sub 8:00. Heinrich's 1:56.42 is 4th All-time in MUHS history. The 4 x 800 split is fastest in MUHS history.</p>
